Dear Kermit:

This letter is to verify the fact that what you heard on Tuesday, November 3rd, 1981 was WGBU Radio at 1470.

I thank you very much for writing to us and letting us know that you were able to pick us up at such a great distance. Power output was 1,000 watts.

Please keep trying to reach us in the future.

Sincerely,

Jack Armour
Chief Engineer
