Dear K-E-G,

Hi there! Hey, now that's something; your initials
the same as our call letters!

Thanks for taking your time to write us about the
reception of WKEG on 1110 kh.

All of your information was correct and as you
asked, our transmitter puts out 1,000 watts of
power, daytime only.

We do hope you might hear us again, and happy new year!

Sincerely,

Sharon Snyder
