Dear Mr. Geary:

We are in receipt of your letter of December 25, and are happy to advise you that your report agrees with our log one hundred percent. We are pleased to know that our station is reaching your area with the clarity and performance as indicated by your report.

A new station like WLXW is happy to hear from fellows like you inasmuch as this is the best way for us to know what our station is doing.

Hope you have a Very Happy New Year.

Very truly yours,

Henry S. Palmer
Chief Engineer
