Dear Mr. Geary:

Thank you for your letter on December 12, 2000 concerning our Highway Advisory Radio System. I would like to confirm that we indeed were broadcasting a Highway Advisory message at 1620 AM on September 16, 2000. The transmitter call sign is WPMU382 and is located on the Downtown side of the Fort Pitt Tunnel (I-279). It's normal coverage area is along the three Downtown Pittsburgh river valleys with approximately five (5) miles radial coverage.

As an additional note, attached is a listing of our Highway Advisory Radios in the Pittsburgh Regional area.

If you should have any questions, please contact Mr. Dominic Munizza, P.E. of our Traffic Management Center.

Very truly yours,
