Dear Sir:

It is with a great deal of pleasure that I am writing at this time with reference to verification of your reception of Radio Station W T R N in Tyrone, Pennsylvania.

Your reception report of January 23, 1955 has been checked against our program log for that day and it is accurate in every detail.

Frankly, we here at W T R N are amazed by your report of readability 5, inasmuch as W T R N is operating only on a power of 250 watts.

Once again, I wish to thank you personally, as well as all members of the National Radio Club for their splendid co-operation in reporting reception. Of course, you realize how much it means to us in ~~making~~ making adjustments, etc.

Trusting you will listen as frequently as possible to W T R N, I remain,

Sincerely Yours,

W. F. Walk Jr.
Program Director
