Please compare the data which I have listed with your programming on Tuesday, November 1st, and if my report is correct, kindly send me a reply confirming my reception of WXPX on 1300 kilo-Hertz. I would also like to know the present power output of your transmitter. Your attention to this request will be greatly appreciated.

Best wishes to you, sir, and to WXPX and its Personnel for continued success in broadcasting. I hope to enjoy further good reception of your enjoyable programming. Looking forward to receiving your reply in confirmation of my reception of WXPX, for which I thank you, I am,

Very truly yours,
