DEAR KERNIT,

SORRY I TOOK SO LONG IN SENDING THIS TO YOU
BUT I'VE BEEN VERY BUSY AROUND HERE. I'M GLAD TO
HEAR OF OUR SIGNAL GETTING INTO WALNUTPORT, PA.
YOUR REPORT WAS QUITE ACCURATE AND I HOPE THE ENCLOSED
"QSL" CARD WILL BE OF SOME HELP TO YOUR COLLECTION.
OUR STATION OPERATES ON 860KHZ WITH A POWER OUTPUT OF 1KW
DAYTIME ONLY FROM A TWO-TOWER DIRECTIONAL ARRAY.
I'M SORRY I DON'T HAVE A BUMPER STICKER OR SOMETHING
TO SEND YOU, BUT THE STATION JUST STARTED PROGRAMMING JA-88
IN JANUARY AND WE DON'T HAVE THEM IN YET. I AM ENCLOSED
A COVERAGE MAP WHICH I RAN OFF AND A HOMEMADE TYPE "QSL" CARD.
I'M A HAM OPERATOR AND ENJOY "DXING" MYSELF.
I HOPE YOU ENJOY MANY HOURS OF THIS FINE HOBBY.
