

Radio Rock

December 12, 1978

Mr. Kermit Geary
R.D. 4, Box 321
Walnutport, Pa. 18088

Dear Mr. Geary:

Thank you so much for your letter of October 3rd. I am truly sorry your first letter was never answered and that your second letter has taken so long to be answered. Let me assure you that the reason your 1st letter was never answered was because at that time no one was really in charge of Public Affairs, but, let it be known that I am now the Public Affairs Director (I was the Sales Correspondent) and you can be sure that all letters will be answered, late but sure.

Getting back to your letter, it is really good to know that WBMJ is enjoyed outside of Puerto Rico (would you believe that in the outskirts of the island, the station does not meet the frequency necessity to reach these listeners?).

The DJ you mention in your letter is Moonshadow, he is our #1 DJ. He now has a morning show (6AM-9AM) with a program full of satires. Since he's been on this particular program, the ratings have gone up tremendously.

Well my friend if you are ever in San Juan, either give us a call or drop by, we would be more than happy to show you around the station.

Very truly yours,

MID-OCEAN BROADCASTING CORP.

Liz C. Sosa
Public Affairs Director
