Dear Mr. Geary,

I am glad to confirm your reception of CHRS on the afternoon of Wednesday, January 16, 1957. Your description of the programs you listened to concords with our log.

We are indeed pleased but surprised of putting a pretty fair signal so far in the United States.

You may be interested to learn, prior to an official announcement coming from the National Radio Club, that CHRS will conduct a special DX test program on Monday, February 18th 1957, between 4.00 and 4.30 a.m. I hope you will be able to listen to it. Thanks again.

Yours truly,

Bernard Turcot
