Dear Sir,

We are in receipt of your esteemed letter of December 8th 1938, in which you state that you tuned in our Radio broadcasting Station, PRE-8, on the 7th said month, between 19,55 & 24,05 (Brazilian time).

As proof you describe the programs that went on the air that night. We are very grateful for the information you gave yourself in writing to us. A careful check up in our programs that night indicates all data furnished by you, represents the real material sent over the air that time you mean.

Otherwise, as your show desire of knowing the power of our Station, please be informed that its work is on 20 Kw. antenna.

Expecting to hear again your communications, we thank you for that and we remain

Yours Faithfully  
SOCIEDADE RADIO NACIONAL
