Dear Sir,

We are very grateful for your letter and also proud to know that our long-wave Radio-Station was heard in your country. Since we started a few years ago we have been trying to achieve the highest standards not only on sound but also on program's quality.

We hope to be so useful to you someday as you were to us in sending your records of our Radio-signals. In case you ever appear in Rio, please, come to visit us.

With my "abraços cordiais"

RAUL NOGUEIRA DE SÁ

Director of Broadcasting
