Dear Sir:

We were very happy to receive your charming letter informing us that you herd our station clearly so far away.

As you know this is of great importance to us, because although we have 50 Kw it is very hard to mingle with your powerful stations in the states.

Consulting our files we would like to inform you that the programs you herd were.

from 21 to 21,20 h	Nelson Gonçalves
" 21,20 to 21,30 h	Dea Camargo
" 21,30 to 21,34 h	Panorama Econômico,
" 21,35 to 21,55 h	Ciro Monteiro, José Castilho, and the Quarteto Copacabana
" 21,55 to 22 h	Noticias do Sport
" 22,00 to 22,10 h	Comentario Econômico

Please continue to inform us if we come through again, and if you ever need anything down this way please let us know.

We remain, faithfully yours.
