Dear Sir,

With great pleasure we know your kind letter of February 21, in which you affirm having received our broadcast on the morning of February 20.

By our file, we can confirm that your reception was in accordance with a special experimental program for the tuning of the new 50Kwts. transmitter that we are building here.

We thank you for your kind attention, hoping that in a near future you continue to listen to our regular programs.

With our best regards,

S.A. Rádio Tupi
