Dear Sir:

We are much obliged to you for the nice letter
you have sent us in connection with our broadcast on
the night of January 30th/38.-

Needless to say how glad we are to know we are
making such good friends in such a far away town as
Walnutport.

H. J. 1. A. B. G.

The description of the program as stated in your
report cheks o.k. with our station log, and it is a great
pleasure for us to verify that you tuned our station on
the

LONG WAVE H J I A B G 1080 kc.

working in 1,000 watts power.

Hoping we will hear more from you very soon,

We are Sir

Very truly yours

donV/rc.-
