

5C

W M C J, 950 kiloHertz;

Wednesday morning, November 15, 1989,

6:00 to 6:16 A.M., Eastern Standard Time:

6:00 A.M., Sign-on announcement, mentioning a daytime power of 500 watts.

6:00½ to 6:05 A.M., Gospel song.

6:05 A.M., Announcement by the male announcer:

"5 minutes past 6 in the morning here on W M C J."

Weather forecast. The announcer reported dense fog this morning.

Report of a truck loaded with liquid aluminum on fire westbound on Interstate-26 at the 192-mile marker between Summerville and Columbia; also that a medic unit is en route out there to care for someone who was burned while fighting the fire. Westbound motorists on I-26 were advised to detour between Summerville and Columbia.

Time announcement:

"7 minutes past 6 A.M. on W M C J."

6:07 to 6:11½ A.M., Gospel song.

6:11½ A.M., Recorded announcement by a woman about "the gospel on W M C J, Moncks Corner."

6:11½ to 6:15½ A.M., Gospel song.

6:15½ A.M., Announcement by the male announcer with mention of "W M C J".

(WMCJ's signal faded out shortly after 6:16 A.M., and station WYKY in Barbourville, Ky., dominated on 950 kHz after 6:18 A.M.)

Please compare the above data with your programming on the morning of Wednesday, November 15th, and if my report is correct, kindly send me a reply confirming my reception of WMCJ on 950 kiloHertz. It was a pleasure to hear the above programming on WMCJ for the first time, and your attention to this report will be greatly appreciated.

Best wishes to you, sir, and to WMCJ for continued success in broadcasting. I hope to hear your programs again on future occasions when atmospheric conditions are favorable. I look forward to receiving your reply in confirmation of my reception of WMCJ, for which I thank you.

Very truly yours,

That sounds about right
