10,000 WATTS

December 3, 1984

Mr. Kermit Geary  
1266 Riverview Dr.  
Walnutport, Pa. 18088

Dear Sir:

Thank you for your letter acknowledging reception of WTBI. The information contained in your letter was correct.

At the time of your reception, our transmitter was operating on 1,000 watts. We operate from sunrise to sunset. The first and last two hours of the day we are 1,000 watts. For the non-critical hours we are 10,000 watts.

Please continue to give us reports. Thank you for writing.

Yours in Christ,

Larry K. Wilson  
Assistant Manager, WTBI
