June 29, 1984

Mr. William C. Branham, President
Radio Station W X A X
P. O. Drawer 609
Lexington SC 29072

Dear Mr. Branham,

I enjoyed surprisingly good reception of Radio Station WXAX on the morning of Sunday, March 25, 1984. A report of my logging was addressed to the General Manager, but I am sorry to say that I failed to receive a reply to my letter. It is possible that the letter failed to reach your station because I did not have your full address at that time.

I have learned recently that you have been so kind as to reply to a fellow DX listener's reception report, so I am taking the liberty of enclosing a copy of my letter of March 26th, with the request that you kindly check the details and, if possible, send me a reply confirming my reception of WXAX-Radio on 1170 kilohertz as reported. Return postage is enclosed for your reply.

Thank you for your attention to this letter, Mr. Branham. I look forward to hearing WXAX-Radio again next fall and winter when improved conditions for long-distance reception will return. Awaiting your reply, and with best wishes for the continued success of WXAX-Radio, I am,

Very truly yours,

Kermit Geary
