Dear Sir:

Thank you very much for your report of reception of KOLY on Dec. 19, 1956 from 2:30 to 3:00 AM. This checks with our log.

This was while we were having our frequency checked by the Phelps Lab. of Minneapolis Minnesota.

Conditions must have been good that night as I recieved a number of reports of reception of our station on that night.

Thanks again for your signal report of our station.

Very Truly Yours,

R. L. Cory
Chief Engineer
