

THE BESSBOROUGH HOTEL SASKATOON

The Bessborough Hotel has gained an enviable reputation for its distinguished service and unexcelled accommodation and comfortable home-like atmosphere. Its perfect proportions, its harmonious arrangement and its restrained but beautiful decoration have been acclaimed by all who have had the opportunity of being guests. Surrounded by spacious grounds yet within two minutes' walk of Saskatoon's business and shopping district, this up-to-date fireproof structure of French Renaissance style, with an ideal situation overlooking the South Saskatchewan river, is decidedly the last word in modern convenience and comfort. Many conventions are held at the Bessborough Hotel due mainly to the fine accommodation it provides. The Bessborough has enabled the city of Saskatoon to earn the sobriquet "The Convention City of the West".
