Dear Mr. Geary,

This will confirm your reception of our station on November 28, 1981, just prior to our local sign off. The official call sign on the date of your reception was WJZA, as displayed in the legal ID you received. Call sign WDHb became official Monday, November 30, 1981.

I can honestly tell you I am surprised that our signal carried as far as your receiving station. Since taking over ownership in September, we have instituted numerous improvements to the technical equipment.

Thank you for writing and enclosing the tape.

Sincerely,

Donald H. Beck, Jr.
President-General Manager
