Dear Mr. Geary,

Thank you very much for your report Oct. 15, 1946, at 3:46AM CST. Program you heard checks with our log and this letter will verify your reseption.

WDSG operates on 1450 KC with power of 250 watts supplied by RCA 250L. RCA equipment is used thru-out with wind-charger 160' tower.

Hoping our signal is heard there often,  
I am,

Sincerely,

Robert A. Thomason
