

HOLSTON BROADCASTING CORPORATION

604½ EAST ELK AVENUE

P. O. BOX 429

ELIZABETHTON, TENNESSEE

TELEPHONE 543-3191

June 12, 1965

Dear Mr. *Geary,*

I confirm your report that you were listening to WIDD
3-15-65 at *0145* E. S. T.

WIDD is a daytime station operating on 1520 kcs. at a power of 1000 watts. Operation was started November 11, 1964. Regular test transmissions are made the third Monday morning of each month at 12:05 A.M.

Thanking you for your report, I remain

Sincerely yours.

Richard A. Vanhook
