Dear Mr. Geary,

Thanks for the reception report. As you no doubt know, radio waves do strange things during critical hours. Hope that you enjoyed listening to those few minutes; our format is called "Heart & Soul": music of the 50's, 60's and 70's. We like it a lot.

Hope you enjoy the holidays and best wishes for the coming new year.

Very Truly Yours,

Tom Burchfield
