Dear Mr. Geary,

In regards to your letter about picking up our station the evening of November 25th. Let this letter serve as confirmation of your reception. It's always a delight for me to receive letters like yours and to share it with the rest of the staff here at WTJT.

I am personally on my fifth year here at WTJT and before April 11th of 1980 our call sign was WAGG. With a transition in management so came the change in call letters. Once in a while I'll receive a letter like yours asking me to confirm the reception of our station in another state, but to my knowledge I don't believe I have ever gotten one from someone as far away as Pennsylvania. Incidentally, the voice you heard on the SIGN-OFF announcement that night was in fact the Tom T. Hall. He and some associates of his bought the radio station in April of 1980.

Again, thank you very much for your letter. I feel a certain amount of envy for the great hobby you have there...it must bring you a lot of pleasure and personal pride. Have a Merry Christmas and best wishes in the coming year.

Sincerely,

A handwritten signature in black ink that reads "Mark A. Schier". The signature is written in a cursive style.
