Dear Mr. Geary:

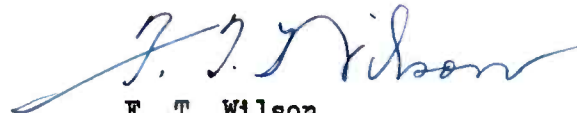

Thank you for your letter of January 13th advising us of the fine reception of KGNB in Walnutport.

Radio Station KGNB is a one thousand (1,000) watt daytime station operating at 1420 kc., CST. Your notation as to the program is correct. The announcer was Mrs. Dorothy Hodge; our chief engineer is G. R. Coker. Our transmitter is the RCA deluxe one thousand (1,000) watt transmitter; our tower and ground system was erected and laid by Johnny Andrews of Fort Worth, Texas under the direction of A. W. Stewart, a consulting engineer of Brownwood, Texas.

Again thanking you for your nice letter, we are

Sincerely yours,

RADIO STATION KGNB

F. T. Wilson,
