1000 WATTS — 1420 KILOCYCLES

JAN 7, 1958

MR KERMIT GEARY
R.D. 2 Box 298
WALNUTPORT, PA.

I hope you will forgive me for not replying sooner to your reception report, but I imagine you are familiar with the normal 'broadcast day' of a radio station; particularly small stations.

Your letter was particularly interesting to me because it was the first one reporting reception during our daytime hours. All the rest of our reports have concerned reception during the experimental hours of from 1 AM to 6 AM EST.

This will confirm your reception of WDDY on Wednesday and Thursday, Nov. 21st and Nov 22nd. Thank you so much!

Sincerely
Kenneth S. Bradby
