Dear Mr. Geary,

This letter is a confirmation of your reports on the programming reception of WKCY for Saturday Morning Dec. 26, 1970, and Monday evening Dec. 28, 1970. You are receiving us in what I would believe would be a difficult area. Which proves your gear must be in excellent condition. We put out a signal of 5,000 watts, but early in the morning before sunrise time, we are on half power.

Yours truly,

A handwritten signature in cursive script that reads "Owen Voigt".
