Dear Mr. Geary:

This is to confirm your reception of WQBX Radio on January 26, 1976 at 3:00 am EST.

WQBX came on the air in September 1974. We are a daytime station on 710KHz with power of 5000 watts directional, north west.

Our antenna system is a three tower array with homebrew phasing system. The transmitter is a 1956 Gates BC5-P. 7Q programs a light rock, top forty format.

I appreciate your report and extend an invitation to visit the station should you be in the area.

Sincerely,

Joseph P. Durham
Chief Engineer
