Dear Mr. Geary:

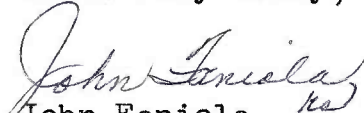

This letter confirms your reception of our station on September 29, 1971 from 7:30 to 7:45 PM E.D.T.

WZAP operates with a power of 10,000 watts with a 22 year old Raytheon transmitter. The antenna is a 280 foot guyed vertical tower.

WZAP are the call letters of the new ownership of last December. The station was originally WCYB.

Thank you for your interest in our station and your nice comments.

Yours very truly,

John Faniola
Chief Engineer
