*I thank for the report  
we had good response  
to the DX program.*

*I don't remember if I mentioned  
it before but I like to DX too  
so it was a pleasure to be  
on the other end of the DX hobby.*

*I gave up the active part of the  
hobby after I went into service in  
1945. After I got out I got my  
ham license so spent the spare  
time on that. Now I'd love the time for even that.*
