Dear Mr. Geary:

Thank you for your letter of January 21st in which you requested a verification of an equipment test you received on January 7th.

We are very happy to be able to verify that it was K-HIT you heard making an early morning test. We are a 1000 watt station broadcasting at 1320 kilocycles. Our station signed on the air on December 5th, 1956 with a Music and News program.

Thank you again for your letter and especially for your best wishes for luck and success for our station and personnel.

Sincerely,

A handwritten signature in blue ink that reads 'Arch Le Roux'. The signature is written in a cursive style with a horizontal line underneath the name.

Arch Le Roux
K-HIT, General Manager
