Dear Sir:

We are in receipt of two letters from you reporting reception of this station. Please pardon the delay in answering your letter of December 20, but will take this opportunity to thank you for writing us again.

Checking with the station log proves that your listing of programs heard was from this station in both cases..... December 19 and February 3.

It is a pleasure to hear from you, and continued reception of distant points is our wish for you.

Very truly yours,

VALLEY BROADCASTERS
