Dear Sir - Sorry you did not receive a confirmation from Mr. Hughes. For similar reasons Mr. Hughes is not now part of our staff.

I have checked your report of April 21-48 time 2:02 to 2:15 AM and Jan 21-48 time 2:01 to 2:20 AM and find they are correct.

Although we have discontinued our request for courage reports I was glad to receive your friendly and complimentary letter as we had made some adjustments on the equipment.
