Dear Mr. Geary:

Belated thanks for your reception report dated September 22, 1952. I'm sorry for the delay in answering your report but several reports including yours have been misfiled and have just come to my attention.

It was good to hear from you and I sincerely hope that reception to WCAN will be possible and continue through your National "HRO" 9 tube receiver.

Your report checks and I am happy to verify it.

Yours for continued DX'ing
