Mr. Geary -

Thanks for your  
letter - had to wait  
for the QSL cards.

My Father was one of  
the original people who put  
WMAM on the air in 1939, +  
I was one of the original  
shareholders (in diapers!!).

Glad you also got us,  
in 1947 - that's great!

Best Wishes

Frank Lawrence
