Dear Mr. Geary:

Thank you very much for your report of reception of our equipment test on Friday, August 27, 1948 from 1:14 to 1:50 AM CST. I wish to confirm this report as being correct.

WTCH is using Raytheon equipment throughout with a Truscon 241 foot series-fed antenna. We operate daytime only from 6:30 AM to sunset CST, which is 6:15 PM during September. We have no network affiliation.

A listener in Seattle, Washington won the cash award that we offered to the furthest listener.

Thanking you again I remain.

Yours truly,
