Kermit Geary
R.F.D. # 2
Walnutport, Penn.

Dear Mr. Geary;

This letter is a confirmation of your reception report dated March 29, 1950. Thanks very much for all the information and the nice signal report.

WTTN went on the air with a full skedule Sunday April 2, 1950 and have had many favorable reports from all parts of the country. Thanks again for the information and I hope you have many enjoyable hours of DX'ing.

Sincerely yours,

Leonard E. Benson
Chief Engineer
Watertown Radio Inc.
