HI-HO KERMIT...

THANKS A MILLION FOR THE FINE REPORT OF RECEPTION OF TWO OF OUR EQUIPMENT TEST PROGRAMS (SATURDAY FEBRUARY 7, 1948...2:28 TO 2:32 AM AND SUNDAY FEBRUARY 8, 1948...1:30 TO 1:59 AM) AND I HOPE YOU CAN PARDON THE DELAY IN VERIFYING. WE GOT A LITTLE BEHIND ON OUR PAPER WORK IN THE RUSH TO COMPLETE CONSTRUCTION AND ARE JUST NOW BEGINNING TO SEE THE LIGHT. BOTH REPORTS WERE CORRECT AND COMPLETE IN EVERY DETAIL.

WE STARTED EQUIPMENT TESTS HERE AT WDNE ON FEBRUARY 3RD AND PROGRAM TESTS BEGAN FEBRUARY 15. MOST OF OUR EQUIPMENT IS "GATES" AND THE ANTENNA IS A 200' GUYED LINGO. OUR COMMERCIAL SCHEDULE RUNS FROM 7 AM TILL 12 M DAILY WITH SPECIAL TEST PROGRAMS WHEN NEEDED AND THE REGULAR MONTHLY FREQUENCY RUN FROM 2:30 TILL 3:00 AM THE FOURTH MONDAY OF THE MONTH. OUR NETWORK IS MUTUAL AND THE NEWS SERVICE IS A P. THAT'S THE STORY IN A NUTSHELL...IF YOU HAVE OTHER QUESTIONS JUST DROP A LINE KERMIT...WE'D BE GLAD TO HEAR FROM YOU AGAIN.

BEST OF LUCK FROM
