Dear Kermit:

We appreciate your letter of the 14th regarding the reception of our FM station. This will confirm your monitoring from 4:15-1/2 to 4:22-1/2 C.S.T. on Tuesday, June 13, 1961.

It is most surprising to us that you received our signal so well. We have a low power, 250 watt transmitter, and have a e.r.p. of only 670 watts.

Again, we thank you for your nice letter and hope your interesting hobby brings you many hours of enjoyment.

Cordially,

William Fogg, Partner
