Dear Mr Geary:

This will acknowledge your letter of January 24 in which you report the reception of our FM radio signal.

The log which you enclose with your letter covering program on Sunday morning January 24 corresponds with our program log here at the station.

The transmitter which we are using is an RCA 10 KW, which is connected to a Collins 3-ring FM antenna at a height of 350 feet. Our ERP is 19.4.

We appreciate your writing us as we are glad to hear from our listeners.

Yours very truly,

A T Powley
Chief Engineer
