Dear Mr. Geary:

It was a pleasure to read your letters dated June 6 and July 2. I was on vacation in the Pennsylvania area the latter part of June, visiting my wife's grandparents in Warren. It is beautiful country.

We here at WPCS appreciate you writing about our reception in Walnutport. It is rather unusual that a FM station will go that far even on sporadic E-skip.

Our station is broadcasting 100,00 ERP from Robertsdale, Alabama. Our CCA antenna is side mounted on a 600 foot tower. We are using a CCA 25 kw for the final with a 3 kw driver.

We are a Christian station programming 17 hours a day to proclaim the Gospel of Jesus Christ to the many saved and unsaved.

Again we appreciate you taking time to write us.

Sincerely yours,

Bob Bowman  
Chief Engineer
