Dear Mr. Geary,

I wish to thank you ever so much for your reception report on WAQE - FM. I believe your report is the first one that we have received since the FM station went on the air on Feb. 5, 1960. If it is not the first, it certainly is the most complete and most distant. I hope that you might have some friends that you could encourage to send in reports. Your report was quite accurate and very informative.

Again I wish to say thanks very much.

Sincerely,

George A. Klimes
