Mr. Kermit Geary
R.D. 2 Box 298
Walnutport, Pa.

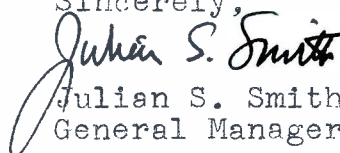

Dear Mr. Geary,

Thank you for your interesting comments on the the reception in Walnutport, Pa. We have been receiving letters from all areas surrounding Baltimore commenting on programming and reception but none so remote as Walnutport.

In answer to your questions 1) Your reception is hereby verified 2) Our antenna is 860' above sea level and the power output is 20,000 watts E.R.P. All equipment is new and was manufactured by the Gates Co. We are however using G.E. cartridges for pick-ups.

If there are any other questions give us a call, drop a card or stop in and see us when you get to Baltimore.

Sincerely,

Julian S. Smith
General Manager
