FM-95.9

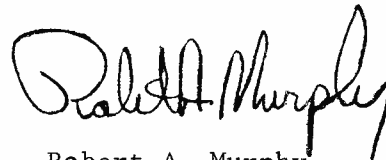

Dear DXer:

This will serve as a verification of your reception of WISZ FM on 11/30.1965. We are most pleased to know that our signal is being received beyond our normal service area.

WISZ FM commenced broadcasting on May 20, 1963, and currently is operating a schedule of twenty-four hours each day. Our studios and transmitter are located at 159 Eighth Ave. in Glen Burnie, Maryland.

~~Our RCA BTA-1M 500 watt transmitter operates into a directional array consisting of seven towers, each 145 feet in height, with separate patterns used day and night. Your reception was of our night pattern.~~

Thank you for your interest. Best DX.

Robert A. Murphy
Chief Engineer
