Dear Mr. Geary:

Thank you for your kind letter of September 9, 1962. It is always a pleasure when our listeners inform us of receptions. This is particularly pleasant coming from some one outside our immediate area.

In response to your request for verification of the programs aired on the dates mentioned, August 23, August 25, and September 8, I am happy to inform you that your recordings are extremely accurate.

Regarding the other information you requested, I am enclosing a separate sheet which contains the facts pertaining to the technical equipment.

I hope that this is sufficient information for your needs. In the event that some information has been overlooked, please inform me of same and I shall endeavor to correct the oversight.

Truly yours,
