Mr. Kermit Geary
1266 Riverview Drive
Walnutport, Pennsylvania 18088

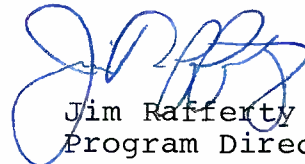

Dear Mr. Geary:

This letter will confirm your reception of WYST-FM on the morning of Friday, December 29, 1989. At the time you received the station (at 92.3 MHz), WYST-FM was operating at 10 kilowatts from a height of 560 feet.

Since then, our output has increased to 37 kW from a height of 570 feet. The change took place on January 9th, 1990.

My apologies for taking so long to respond to your letter. Thanks for listening and I hope you'll be able to receive us again with our new signal.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jim Rafferty".
