Walnutport, Pennsylvania

Dear Mr. Geary:

Thank you for your good letter and report on WAWZ-FM.
Your listing of programs checks with our log, and we are happy to confirm
your D-X report.

WAWZ FM is located in Raritan Valley. The antenna is perched
atop one of our AM towers. We are hoping and planning to transfer our FM
operation five miles north to a point about 400 feet higher in elevation,
and thereby reach an audience to the North in densely populated northern
New Jersey. This move naturally would improve our signal in your direction
as well.

Congratulations on your Zenith Model C-845 and best wishes
for good listening. I will take the liberty to enclose with our letter a
pamphlet describing the religious, educational, and benevolent activities of
this organization. If you are ever down in this part of the world, please
drop in and be our guest.

Yours sincerely,

N. L. Wilson
