Mr. Kermit E. Geary  
RD 2, Box 298  
Walnutport, Pa.

Dear Mr. Geary:

It is refreshing to read your report of our signal strength from Walnutport, Pennsylvania. We gratefully acknowledge and confirm your report of our transmission on Sunday, October 20, 1963 at 105.5 Megacycles, Stereo-FM.

Enclosed please find a reprint of an article which may give you some interesting sidelights on WDHA-FM.

We are transmitting with an authorized equivalent power of 2000 watts, 1250 feet above sea level.

Thank you.

Very truly yours,

Joseph L. Hartmann  
Chief Engineer
