Dear Mr. Geary:

This is to confirm your reception report of Saturday,
September 24, 1966.

Your logging of our program schedule is correct. I
have enclosed a recent W F M E program guide. It
may not match yours in every respect since recent
changes have been made.

We operate 24 hours a day with 13,500 watts at 540'
above average terrain on a 150' tower. Our primary
coverage is the northern New Jersey/New York City
metropolitan area, but we do have other listeners in
Pennsylvania.

Thanks for writing. Don't ever hesitate to visit us
if you are in this area.

Sincerely,

FAMILY STATIONS, INC.
