Dear Mr. Geary:

Thank you for your letter of March 11, 1968, and for the kind comments expressed therein concerning Radio Station WOBM.

I am writing, as per your request, to confirm the data set forth in your letter regarding our program items of Sunday, March 10, 1968, and to advise you that our antenna is 340 feet high and the power output of our transmitter is 3,000 watts.

Many thanks for your kind wishes of success and for tuning in to WOBM. If at any time you are in this area, we would be most happy to have you stop in and visit our facilities.

Sincerely yours,

Joseph E. Buckelew
Vice-President
